Vancouver Mission Trip - TWU BSM

Going to Vancouver was an amazing experience for us. We enjoyed seeing and talking with people from all over the world. We had opportunities to pass out New Testaments and More Than Gold Olympic pins while sharing our faith. Our prayer is that those who experienced the Olympics and Paralympics will discover our amazing God!

Houston Mission Trip - TWU BSM

We took a group of 5 girls to Houston to work with the Bhutanese refugee families. Many lessons were learned. We discovered how easy we have it and how individualistic our culture is as opposed to the community style of the Bhutanese.
