

Church Development Grant Application

Denton Baptist Association

General guidelines for grant application

1. DBA churches averaging 250 or less in Worship, as reported on the previous Annual Church Profile, may apply for grants to fund projects which would contribute to attendance growth.
2. The DBA church must have given to the association within the last 12 months.
3. Generally, amounts are limited to \$500 per person or \$1000 per church.
4. Churches may apply once a year for the grant.
5. Grants must be approved by the Vision Team.

Please complete all information and submit to the DBA office.
